

**“IF SATAN CAN NOT DECEIVE YOU, HE CANNOT DEFEAT YOU”
PART 2**

“And the great dragon was cast out, that old serpent, called the devil and satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.” – Revelation 12:9

The old serpent, called the devil and satan does not have new trick; he still uses his old ‘wiles’ to trap unsuspecting and ignorant people. For instance, if satan is not able to make you sin; he may attack you, yet, he cannot defeat you. Adam and Eve were defeated

because the deceiver made them sin. If satan succeeds to make you sin, he has succeeded in converting you to his side - the side of the enemies of God.

All enemies of God (whether satan, demon spirit or sinning man) are doomed to fail. Isaiah 45:9. Adam and Eve were deceived that sin was not sin but something beneficial. That deceiver and his demon spirit are still going about today propagating the ‘beneficial nature’ of sin. The painful aspect of this is that many in the church are busy praying and casting out demons but keep buying into the ‘beneficial nature’ of sin as propagated by the deceiver and his team of demon spirits. As they are praying and casting out demons, satan is busy laughing at them.

If you are not deceived into keeping the property of satan (which is sin); he cannot get into you. Jesus said the prince of this world came unto Him but found nothing in Him. John 14:30. The remote control is able to operate the attached device because of the compatible components in both the remote control and the device being operated. As long as the property of satan (is in you), he can always control you.
