## “SPIRITUAL GROWTH IS A MUST” PT 6

As a child grows into an adult (all things being equal) the reproductive organs are developed naturally for the purpose of procreation. It becomes natural for him or her to become fruitful. As the adult (who was hitherto a child) gives birth, he/she moves into another realm of growth (maturity) of parenthood.

Spiritual growth demands that we bring forth fruit. Jesus Christ said that He is the Vine and we are the branches. He expects us as branches to bring forth fruit. John 15:1-5. As a matter of fact, Jesus Christ said that He chose and empowered us for the purpose of bringing forth the fruit. John 15:16. He also said that we are to

bring forth much fruit not bringing forth fruit sparingly. John 15:8. He said this would be a proof of our discipleship of Him. The more we are committed to soul winning the more opportunities we are exposed to for spiritual growth. The demands of soul winning, soul ingathering and soul establishment are crucial factors that help us to grow spiritually.

For instance, every productive soul winner is a spiritual parent. Spiritual parenthood (just like the natural parenthood) demands that you accept responsibility to be strong in the faith (that is to build and continue to build your faith). Spiritual parenthood demands that you accept responsibility to allow the word of Christ dwell in you richly so that you can teach, admonish and nourish your spiritual children with the same. Colossians 3:16. You won't want to appear like an ignorant or unintelligent spiritual parent before your children.

Spiritual growth is accelerated through soul winning, soul ingathering and soul establishment. Get on it today! Remain on it! Increase the intensity of your engagement! Your spiritual growth will know no limit! Remember, the earnest

expectation of the creature waiteth for the manifestation of the sons of God. The world is waiting for you!

**Scriptures for meditation: John 15:1-8; Romans 8:19-22**

Jesus is Lord!
